

Dear Church family,

I first would like to say: "Thank you!" to all our Friends workers for a job well done. We have had a great year, with new faces, more children, and a system that works well. I do appreciate all your hard work, and love for the ministry God has called you to here at our church. I wish you a restful summer with the joy that you have made a difference in so many lives. To God be the glory!

I also want to thank all of you for helping our church picnic go so well. Everyone pitched in, and we all enjoyed the food, and fellowship.

Things tend to slow down during the summer with our activities, but I want to invite you to a weekly Bible study on Wednesday nights at 6pm. This will be an interactive study on the lives of people Jesus met and taught. Bring your bibles, and a notepad as we study how Jesus changed their lives. This study will be only through June and July. But would love to have you participate. See you there!

June Events to remember:

June 2 - Youth Sunday with Andrew Anderson preaching.

June 9 - Church-wide Ice Cream Social with Business Meeting Afterward.

June 16 - Father's Day - Men's choir to sing for us.

June 30 - Youth leaving for Crossings camp.

Don't forget that during the summer, we also have worship at Kendall Park down at the dam. Worship begins at 8am beneath the pavilion. Hope to see you there!

Hello Jamestown Family!

This last month of May had been a busy one for the youth. The month of June is a little different due to the fact that I will be gone on a mission trip for Crossings camp June 8th-21st! Gary and Nancy Wheat have been helping me on Wednesday nights and will continue to be there in my place for the youth. I trust them both to do a fine job pouring into the youth in my absence. June 1st was scheduled for a youth car wash fundraiser but there will be a rescheduling for this event. In this month of June we will be closing in on everyone's favorite time of the year, CAMP WEEK! I am so excited to be taking the students to a Crossings camp at Jonathon Creek this year. If any parents have any questions about camp you have my information to reach me. For any congregants who want to know more about this camp you can check out gocrossings.org online. June 2nd the youth did a fantastic job leading worship and serving for youth Sunday! After that we took the youth to the Harris family cabin and swam at the creek nearby! This was an awesome time for fellowship and I plan to revisit this location in the upcoming future.

I do ask for prayers for the continued trajectory of the youth and the students individually. We want to honor and glorify God and create a culture where the students are able to take what they've learned and apply it to their perspective of the Lord and to their every day lives! Please take time to pray for me as well as I am going to be serving in Chicago with Crossings ministries for two weeks. I will return ready to go to camp and continue ministering to our students!!! Thank you all in advance and be on standby for upcoming announcements and events!

God Bless

Andrew Anderson
